OFFICE	Microsoft Office (Word, Excel, PowerPoint) • Apple iWork (Pages, Numbers, Keynote)
AI TOOLS	Claude • AI-assisted drafting, research and documentation
TECHNICAL	Working drawings • Residential documentation • Electrical plans • BIM workflows • Ontario Building Code
STRENGTHS	CAD coordination • Drawing revisions • Multi-variant plan sets • English and Arabic fluency • French (A2)
CREDENTIALS	Class G Ontario driver's licence • WHMIS (previous certification; renewal on hire)

ARCHITECTURAL EXPERIENCE

Architectural Technician Intern

MAY 2024 – AUG 2024

Caivan | Ottawa, ON

- Produced and maintained AutoCAD drawing packages, including brochure, sales, and marketing drawings, for a production homebuilder.
- Created and updated electrical plans across multiple floor-plan variations to reflect design changes and evolving standards.
- Coordinated with internal stakeholders and architectural consultants to keep drawing packages synchronised and code-compliant.
- Supported product-development revisions to align home designs with updated Ontario Building Code requirements and expand available option packages.
- Investigated and resolved recurring site-submitted issues, improving accuracy across production-homebuilding workflows.

> *"Steven consistently demonstrated exceptional skills and a remarkable work ethic."*
> REUBEN HELDER, DIRECTOR OF ARCHITECTURE, CAIVAN

ADDITIONAL EXPERIENCE

Private Piano & Music Theory Instructor

APR 2018 – PRESENT

Self-employed | Ottawa, ON

- Manage an independent client roster and develop individualised instruction for students of varied ages, abilities, and learning styles.

Undergraduate Teaching Assistant

JAN 2020 – APR 2020

Carleton University | Ottawa, ON

- Selected by faculty to support a first-year course; explained complex material, assessed work, and assisted students with varied skill levels.

Music Director (Volunteer)

JUL 2022 – DEC 2024

Arabic Bible Church | Ottawa, ON

- Led weekly music programming and coordinated special programs for major seasonal and community events.
