ARCHITECTURAL EXPERIENCE

Architectural Technician Intern
MAY 2024 – AUG 2024
Caivan | Ottawa, ON

- Created AutoCAD drawing packages for about 15 new models as they came in; initiated interior layout changes, up to whole-floor reconfigurations around fixed stairs, for space efficiency and comfort.
- Maintained brochure, sales and marketing drawing sets across hundreds of house plans and variants.
- Produced and updated 30 to 40 electrical plans across floor-plan variants as designs and standards changed.
- Coordinated with 4 internal departments and consultants on Ontario Building Code revisions and new option packages.
- Resolved hundreds of site-submitted tickets, grouping recurring issues and correcting the affected drawings together in one pass.

> *"Steven consistently demonstrated exceptional skills and a remarkable work ethic."*
> REUBEN HELDER, DIRECTOR OF ARCHITECTURE, CAIVAN
